**Date: June 18, 2009**

### **Attending:**

Barry Barker, TARC  
Ken Hillebrand, Metro  
Tom Owen, Louisville Metro Council

Jeremy Raney, Louisville Metro  
Christy Dooley, Louisville Metro

### **GUESTS:**

Eric Pruitt, Louisville Water Co  
Daro Mott, Metro

Andrew Metcalf, Metro

- Barry Barker reported announced that the House of Representatives was to release the next authorization bill later in the day - \$337 billion over the next 6 years for highway, transit and high speed rail
- TARC is continuing negotiations with bidder's of the 4 projects
- Jeremy Raney reported that PW is working with the state on a pre-qualification process for sidewalk repair projects that are smaller in dollar amount than the others. The team is also working the Human Relations Commission with the Project DBE goals.
- The team has prepared \$5M worth of street rehabilitation projects in case any projects are cancelled.
- KIPDA will review all project's status the week of July6 and make a decision on whether a project is to continue or if the funding is to be reassigned because of being unable to meet the state's timelines.
